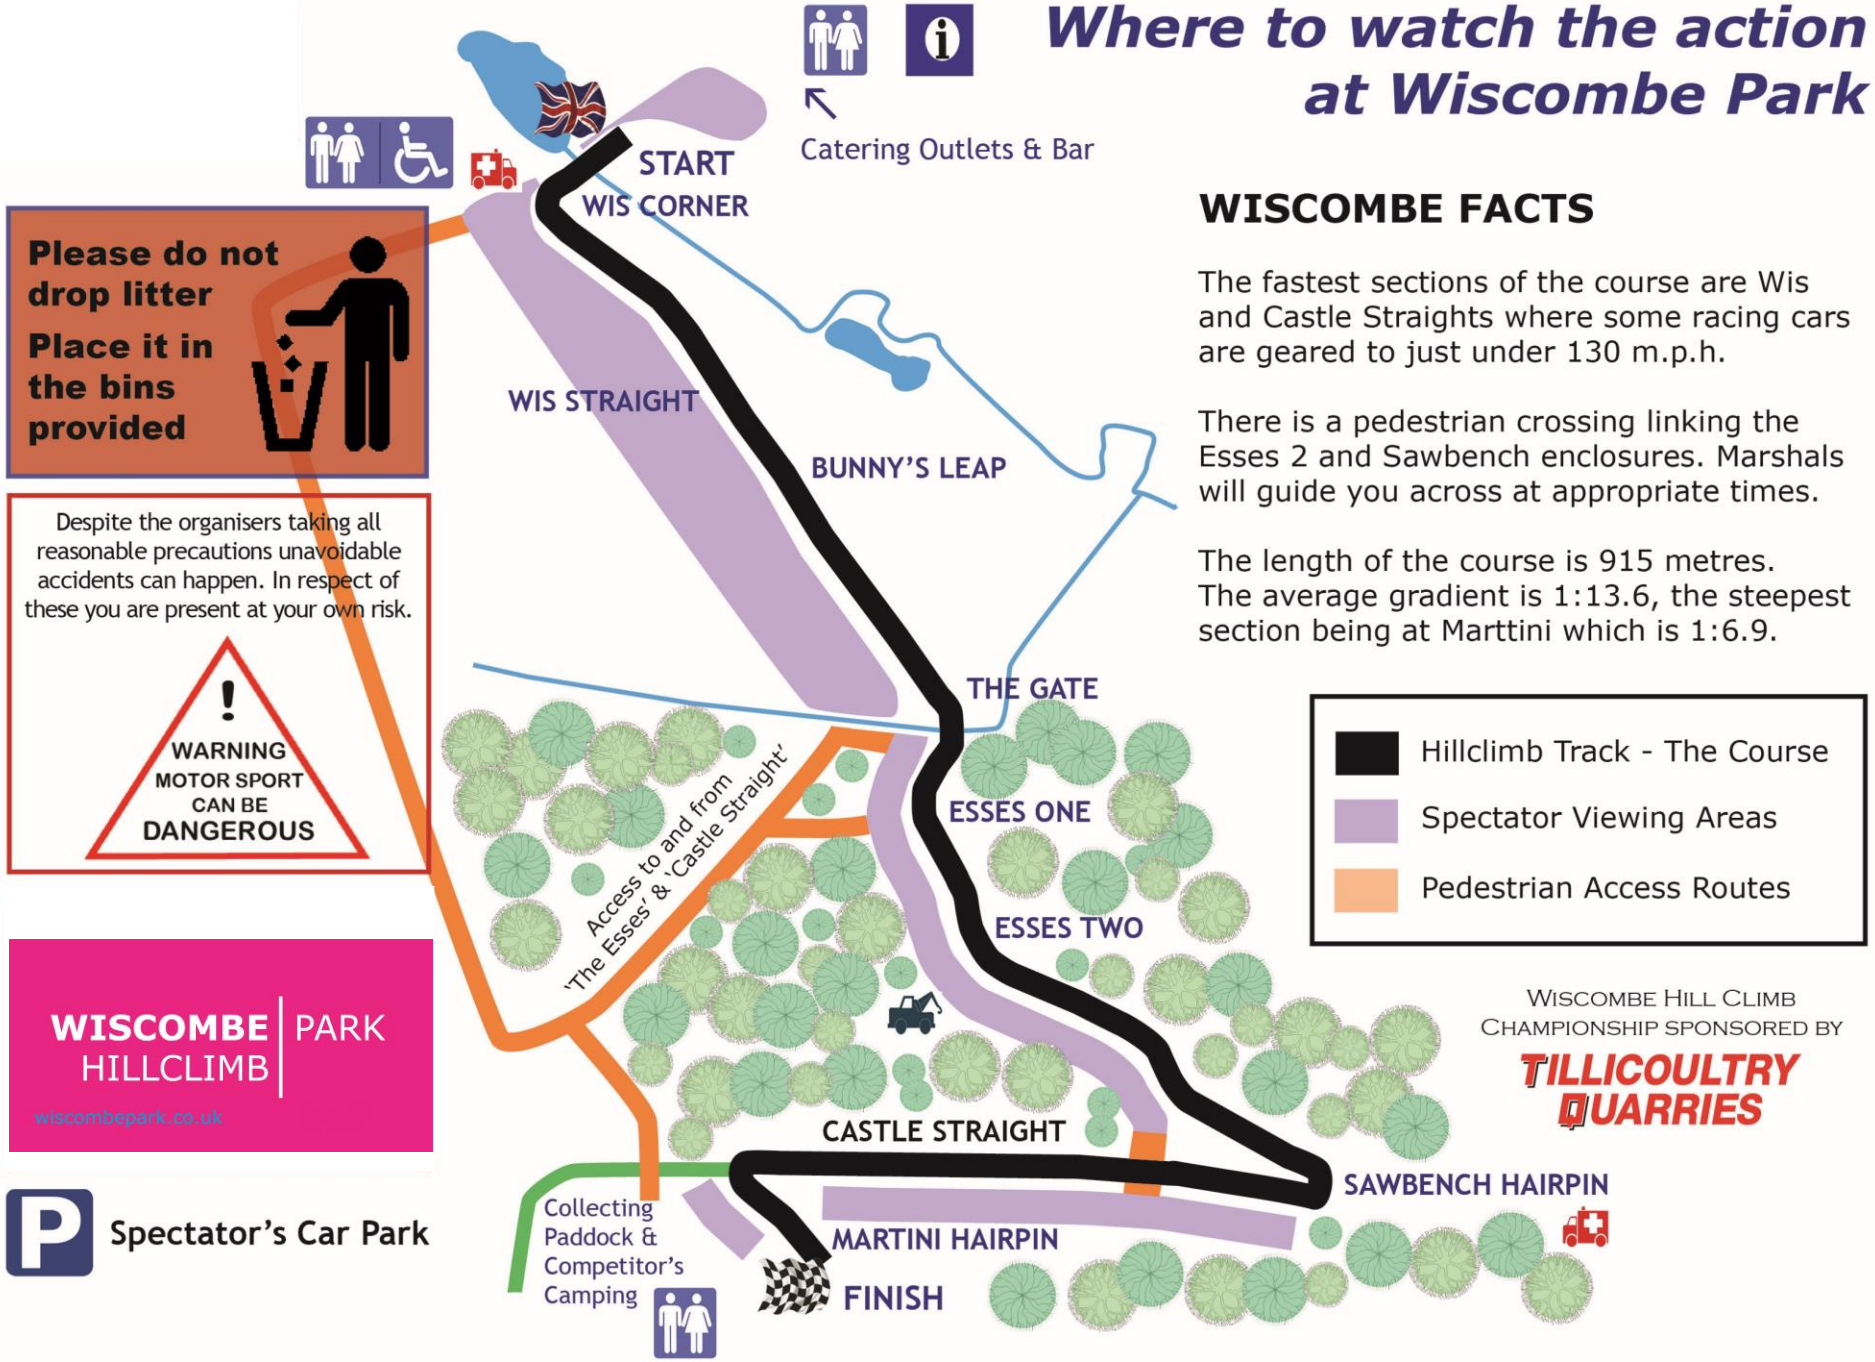
Where to watch the action at Wiscombe Park



WISCOMBE FACTS

The fastest sections of the course are Wis and Castle Straights where some racing cars are geared to just under 130 m.p.h.

There is a pedestrian crossing linking the Esses 2 and Sawbench enclosures. Marshals will guide you across at appropriate times.

The length of the course is 915 metres. The average gradient is 1:13.6, the steepest section being at Marttini which is 1:6.9.
