1.5.1 The qualifying rounds will be organised by the clubs listed above and each event will run under its own SRs. Championship entrants will be bound by those SRs and the GRs of Motorsport UK and these Championship Regulations. Competitors in each qualifying round will take part in their appropriate class for awards offered at that meeting. Please note that any other events held at Wiscombe Park are not rounds of this championship.

1.6 Scoring:

- 1.6.1 Points will be scored at each round by bettering the bogey time for the relevant class. Each class bogey will be calculated by adding fifteen seconds to the average of the outright class record as at 1st January 2021 and the best time recorded in the competitor's class at the relevant event.

$$\text{Class bogey time} = \frac{\text{Outright Class record as of 1st January 2021} + \text{best time recorded at the event}}{2} + 15 \text{ seconds}$$

Competitors will be awarded 0.01 of a point for every 0.01 of a second improvement over their class bogey time.

Note; A list of outright records is available on the Wiscombe website

- 1.6.2 Where the class structure has changed and no record exists for that class, the bogey time will be calculated in the same way, by using the best time recorded in that class at the first event of the year.

- 1.6.3 Points gained in six of the nine qualifying events will count towards the Championship. In the event that less rounds take place (see 1.5 above) the number of qualifying rounds may be reduced (in 2020 they were reduced to the best five of seven)
- 1.6.4 A competitor must complete at least one timed run in order to qualify for points in any round of the Championship. Please note that certain events may now have one practice and three timed runs (you will need to check the individual event regulations)
- 1.6.5 In the event of a tie at the end of the Championship, the competitors' scores at their first round of the Championship will be considered. Whoever scored the highest number of points in their first round shall be declared the winner. If this does not resolve the tie, their second scores will be considered, and so on.
- 1.6.6 Appeals against decisions regarding the awarding of points in the Championship will be in accordance with C6.5 of the Motorsport UK Yearbook.
