

# Where to Watch the Action

## Welcome to Wiscombe Park Hillclimb

**Competitors Paddock:** Spectators are always welcome in the Paddock but please do not touch the cars or bikes – their exhausts, engines and brakes will be very, very hot!

### Did you know?

The two fastest sections of the hill are Wis Straight and Castle Straight where some single seaters are geared for around 130 mph.

The course is 1000 yards or 915 metres in length.

There is a track crossing at Castle Straight, where marshals will help you across the track to the Esses.

The average gradient is 1 in 13 ... the steepest section at Martini is 1 in 6.

The hill record is 33.13 seconds (set July 2019).
